

Award for outstanding performance Güdel wins FCA Award

Shanghai, 17.11.2015. The Fiat Chrysler Automotive Grue (FCA) recognized Güdel with this year's Supplier of the Year in the category Capex APAC. With this award, FCA honors suppliers of various categories for outstanding commitment in the previous year.

In a festive ceremony in Shanghai, China, the Head of APAC Group Purchasing at FCA Larry Walker gave the award and trophy to Martin Müller, Group CEO, and Young-Sik Park, CEO Güdel Korea.

Güdel won in the category for investment in long-term assets. Güdel installed two automation lines for the cylinder blocks

and cylinder heads of the 2.0 and 2.4 liter engines for the Tiger Shark model.

"Güdel represents values like efficiency, reliability, and innovation," says Young-Sik Park. "This award is a confirmation and recognition of a successful customer relationship and honors our years of competent service in the power trains business in the APAC region." Special mention should go to the strong commitment of Güdel on site in all areas from assembly to installation and commissioning.

Güdel Group AG

The Güdel Group is a manufacturer of high-precision machine components and provider of sophisticated automation solutions. Its spectrum of products ranges from linear guideways, racks, pinions and drives right through to linear axes and gantry robots. Güdel assembles its products into systems with a high degree of control intelligence and complete plant installations, which can be used in the automotive, tire, metal, rail, intra-logistics, pharmaceutical, renewable energy, wood, and aerospace industries. Güdel's technology is characterized by its innovation, quality and modularity. The Güdel Group has a workforce of approximately 1,100 employees worldwide in over 30 locations. The Group has been owned by the same family since its foundation more than 60 years ago. The Güdel Group has its headquarters in Switzerland.
