

Delivery specifications for Güdel AG

Güdel AG is enjoying a large volume of sales orders and therefore an increase in third party deliveries. To accept your goods easily and efficiently, we require a flawless delivery note and appropriate packaging.

It is absolutely necessary that the following information is visible on the order confirmation:

- Güdel order number
- Güdel item number
- Country of origin
- Price
- Incoterms
- Terms of payment

It is absolutely necessary that the following information is visible on the delivery note:

- Güdel order number
- Delivery address (Werk/plant & Tor/gate)
- Güdel item number
- Drawing number and index, if available
- Delivery note number and delivery date

Delivery of JIT orders:

- Notification of incoming goods around 30 minutes before delivery.

1. Marcello Dottorello: 079 781 50 96
2. Felice Lombardi: 079 226 64 32

Packaging instructions:

- A list of contents is mandatory for every container (pallet)
- For multiple containers, every item must be identifiable (identification with label or similar)
- Please select packaging that effectively protects the goods against damage and corrosion during transport and subsequent storage. The vendor is liable for damage resulting from improper packaging.
